Wittmann Bros., 45 Murray St., N.Y.

Boston Herald, February 29th 1880.

A panoramic view of New York, Brooklyn and Vicinity has been published in a series of photographs by WITTEMANN BROS., which surpasses anything of the kind we have ever seen. The great city and its suburbs are all brought before us in a bird's eye view, as seen from the water, with its wharves, storehouses public buildings, shipping, etc., so fully and completely as to leave nothing desirable to complete the accurate picture of the commercial metropolis and its surroundings. The work is a perfect marvel for the fidelity with which the artist has copied the city and its surroundings as they are, and may be regarded as the greatest triumph of the photographic art that has ever been achieved.

Boston Journal, March 9th, 1880.

WITTEMANN BROS. of New York, publish a new Panorama of New York, Brooklyn and Vicinity. It is taken by some photographic process with such skill and success as to bring vividly before the eye the various points of interest in the two cities and the neighborhood. The effect is striking and brilliant, and the panorama will repay a careful study. It is enclosed in neat covers of convenient shape.

New York Evening Post, March 21st, 1881.

WITTEMANN BROTHERS have issued a particularly good album of views of this city. The views are produced by a process of engraving and printing from stone. The points photographed are well chosen, and any person having looked through the album would have a very good general idea of New York city.

Richmond, Va. Standard, Oct. 8th, 1881.

These pictures have the appearance and fidelity of photographs, with the advantage, however, of positive durability. The enterprise evidenced by Messrs. WITTEMANN BROTHERS in their beautiful and entertaining productions is highly laudable and meritorious.

Daily Saratogian, August 13th, 1882.

One of the prettiest souvenirs of Saratoga we have ever seen. It contains a number of views, each one an exquisite work of art as well as being correct in drawing. It was prepared in Europe, and is both beautiful and inexpensive.
